Land. Tap. Connect: T-Mobile Prepaid Launches U.S. Pass eSIM for International Travelers

May 7, 2026

Visitors to the U.S. can now have easy access to America's Best Network on short-term plans

BELLEVUE, Wash.--(BUSINESS WIRE)-- Staying connected while traveling to the U.S. just got easier. Today, T-Mobile Prepaid (NASDAQ: TMUS) announced it's introducing new short-term prepaid eSIM plans just in time for summer and designed for international visitors — offering fast, reliable connectivity onAmerica's Best Network. With a digital-first activation and no paperwork required, travelers can connect in minutes to flexible plans that include cross-border connectivity and high-speed hotspot data.

Millions of international travelers visit the U.S. every year, even more with major global events, and the T-Mobile Prepaid U.S. Pass eSIM is designed to meet that demand. Travelers will get a simple, reliable way to stay connected while also getting some of the best prepaid benefits like T-Mobile Tuesdays and more.

Starting May 18, the following new T-Mobile Prepaid **U.S. Pass eSIM** plans will be available:

- **7-Day Pass ($25)**: Unlimited talk and text in the U.S., Mexico, and Canada. Unlimited 5G data with 50 GB of premium 5G data in the U.S. **14GB** of high-speed mobile hotspot data in the U.S. 5GB of high-speed data (including any available hotspot data) while in Mexico and Canada.
- **10-Day Pass ($30)**: Unlimited talk and text in the U.S., Mexico, and Canada. Unlimited 5G data with 50 GB of premium 5G data in the U.S. **20GB** of high-speed mobile hotspot data in the U.S. 5GB of high-speed data (including any available hotspot data) while in Mexico and Canada.
- **14-Day Pass ($35)**: Unlimited talk and text in the U.S., Mexico, and Canada. Unlimited 5G data with 50 GB of premium 5G data in the U.S. **28GB** of high-speed mobile hotspot data in the U.S. 5GB of high-speed data (including any available hotspot data) while in Mexico and Canada.
- **30-Day Pass ($50)**: Unlimited talk and text in the U.S., Mexico, and Canada. Unlimited 5G data with 50 GB of premium 5G data in the U.S. **50GB** of high-speed mobile hotspot data in the U.S. 5GB of high-speed data (including any available hotspot data) while in Mexico and Canada.

Built for how people travel today, the U.S. Pass eSIM delivers one pass that works across three countries — the U.S., Mexico and Canada — with unlimited talk, text and the data travelers need to navigate, stream and share. This eSIM comes with premium hotspot data, making it easy to connect multiple devices throughout the trip, plus added perks like dining rewards and rental car discounts, and T-Mobile Tuesdays for weekly perks.

T-Mobile Prepaid is making it easier than ever for visitors to experience fast, dependable connectivity across North America with transparent pricing and no surprises.
